

CPRE Norfolk is part of a national charity. This allows us to focus on local issues whilst also being able to exert influence on the wider concerns that affect us all.

- We seek protection for the countryside and our landscapes; from healthy soils and hedgerows to appropriate sustainable development, not on farmland.
- We support sustainable agriculture that protects and enhances the environment and provides food locally.
- We demand long term investment in 21st century solutions, including those that generate local clean energy, prevent energy waste and ensure clean water.
- Working with Parish Councils we champion local democracy, better transport, rural jobs, access to green spaces, natural flood prevention and affordable housing.

There are a number of ways that you can support the work of CPRE Norfolk:

Charity Concert & AGM Saturday, 10th May 2025

Welcome

Thank you for joining us, for what we are sure, will be a wonderful evening of music in support of CPRE Norfolk.

Now more than ever, our county's countryside is under threat, and the work of our charity in protecting our green spaces for future generations to enjoy is increasingly important. The funds raised tonight will help CPRE Norfolk continue this vital work.

If you are able, we warmly welcome you to stay for CPRE Norfolk's AGM at the end of this evening's concert, where we will be reflecting on the past year and look forward to the year ahead.

About Sine Nomine

We are a Norwich-based choir comprising 25-30 members who sing sacred and secular music, both accompanied and unaccompanied. The choir is non-auditioned and performs several times each year with a mixture of concerts and singing for Evensong, which we have done at both Norwich Cathedral and St. Andrew's Church, Wingfield. The choir also sings for weddings and other family occasions. Recent concert venues have included Christ Church, Eaton and St. Giles' Church, Norwich for their Wisteria and Advent Concerts.
